Digital Cordless Phone with Answering Machine and Call Blocker

EclipseCB-WG (Wood Grain)

EclipseCB-B (Black)

EclipseCB-W (White)

Design & Innovation

The Eclipse Plus Digital Cordless Phone with Answering Machine and Call Blocker combines modern technology, sophistication and innovative design with inspiration from the past. This chic classic design equipped with modern technology is everything you need in a home phone. The seamless magnetic connection between the handset and base make this phone easy to use and display throughout your entire home. The built-in nuisance call blocker enables you to block callers you do not want to hear from, while the answering machine, caller ID, and 200 name and number phonebook help you keep in touch with family and friends.
