

wireless active noise cancelling headphones

Escape 500 ANC

listen without distractions

Enjoy more sound and less noise with Motorola Escape 500 ANC headphones series. Designed with active noise cancelling technology that detects and cancels out ambient noise, leaving you to immerse in the music as the world around you fades away. Motorola Escape 500 ANC headphones make a perfect companion for your daily commute. Enjoy complete freedom as you go about your day with these wireless headphones that work with Amazon™ Alexa. Explore thousands of skills and services with one-touch access to Amazon™ Alexa. Stream your favorite playlists from Amazon™ Music or other music service platforms like TuneIn Radio, find a bank or manage your to-do list. Do this and more on the go.
