Design & Innovation

The Solo Plus Digital Cordless Phone with Answering Machine, Call Blocker, and Three Handsets combines modern technology, sophistication and innovative design with inspiration from the past. This chic classic design equipped with modern technology is everything you need in a home phone. The built-in nuisance call blocker enables you to block callers you do not want to hear from, while the answering machine, caller ID, and 100 name and number phonebook help you keep in touch with family and friends.
